**There's a good reason why Mortgage Intelligence is Canada's premier mortgage broker: we make getting the right mortgage easy.**

Thank you for taking a few moments to read my bio. My name is Mark Hurley and I wanted to introduce myself and tell you how I may be able to save you time and interest with your mortgage. I am a mortgage consultant with Mortgage Intelligence and I have over 12 years experience in the mortgage lending business. With my experience and wealth of knowledge in the mortgage industry as well as personal finances, I will be able to answer all of your questions.

What is a Mortgage Consultant and how can it benefit you? Well, I will shop your mortgage to over 30 different lenders (GMAC, Firstline, BNS, BMO, Ing etc.) who want to compete for your business. This will help us obtain the lowest rates and best mortgage products to fit your needs. Whether you want to refinance your home for renovations, build a new home, a new purchase or even dreaming of that new cottage, we'll have the right product for you!

Approvals are very prompt, usually within 24 to 48 hours. I can meet you at your home or office, 7 days a week. With my laptop in hand we can go over different mortgage options from the comfort of your home. I will also have an office in Halifax to provide more convenience.

Saving money on your mortgage is not just a matter of getting the best quoted rate. There are different types of mortgages... open, closed, fixed rates, variable rates, short term, long term, discounts, cash backs etc. Making sense of it all can be a daunting task and you may need someone who will take the time to ensure that you have the necessary information to make an informed decision.

Feel free to contact me on either my cell phone at (902)877-1646 or by e-mail at [mhurley@eastlink.ca](mailto:mhurley@eastlink.ca). I look forward to speaking with you in the near future.
