North America's Fastest-Growing Moving Services Company

With 30 offices and over 1000 employees coast to coast across Canada and into the U.S.A., Premiere is North America's fastest-growing moving services company. Hard work and excellent customer service has made us the leader of the moving industry in Canada and across North America. A culture that represents core values of relationships, premium service, respect and connectivity among branches has made us the envy of the industry.

Whether you are moving your family or business - locally, nationally, or internationally, whether you are looking for a home mover, an apartment mover, a commercial mover or a special products mover, put your trust in the company that crafted the art of moving. Premiere Van Lines has a team of moving service professionals dedicated to making family and business relocation an enjoyable experience. No matter how complicated the move.

Premiere Van Lines is proud to be affiliated with:

- Aeroplan
- MS Society
